### Around Town

Carol Hutchcraft may be retired from teaching, but that hasn't stopped the grandmother of 3 and former home economics teach from impacting students at GCMS schools. Each week she can be found meeting one0on0one with a student, serving as a volunteer in the GCMS Mentoring Program. Her husband, Noel and Drummer grad Doug Hager also participate in the program which began in 1998. Activities with their appointed students vary each week, depending on the needs of the student.

Over 200 members (including children) of 4 local churches met in early September to 'pour out to serve' the community. Barb Horsch, one of the coordinators of the Poured Out church event commented that 'Church isn't what happens within the walls. It's what happens wherever we are.' Activities included, but were not limited to performing hymns at the Annex and Heritage Manor, collecting food for Shepherd's Closet, assembling hygiene kits, delivering baked goods to shut-ins and workplaces, and assisting shoppers at the County Market.

After 3 years of fundraising by the Gibson Rotary Club, the new playground at the North Park is completed and was dedicated with a ribbon cutting ceremony on Sunday, Sept. 13th. Children (of ALL ages) attended the ceremony and enjoyed trying out the new equipment. It has been busy (especially on weekends) since the dedication. The first portion of memorial bricks have since been placed near the area. Bricks are still available.

GCMS Homecoming was Sept. 21-25 with many activities planned (that we all can remember). The parade was Thursday night, Friday Football against PBL, and the dance on Saturday night. At this printing the Falcon Varsity team is 8-0 ! (Yay!!!)

Questions have arisen concerning the 'benches' made from the old gym bleachers. Principal Chris Garard will let us know when more are available for purchase....

and I will post it here.

### **Memorial bricks at North Park Playground Area**

It has been suggested that each class obtain a brick with their class year engraved. Example - GCHS Class of year. If you are interested, email Carla who will get you the form. The cost is not that much and Randy Ferguson tells me that they could be placed in 1 area for uniformity.

### Half-time inductees to the Hall of Fame.

Those inducted this year included Brad Strebeck (class of 93), Fannie Epps (class of 2004), Roy Acree (class of '80) and Gene Everett (coach). Inducted into the 'Friends of the Hall of Fame' division was Gary McCullough (class of '72) for his years of broadcasting over 1500 Greyhound and Falcon athletic events and has hosted 'speaking of sports' segments of WGCY radio.

**The Celtic Woman** performed to a packed house at the Virginia Theater in Champaign on Sunday, Oct. 4th. And they did not disappoint ! Attending the performance included Jack and Susan Kollross, Gary and Ruth Reiners, Sharon and Gary Stroh, and yours truly.
