## Festival Highlights

Another year is in the books for the Festival, which is called a repeat success, thanks to your support. We sincerely thank the GCMS After Prom committee for their help in making Friday and Saturday such fun. Aside from all the visiting and memories being shared, Coach Mike Allen stopped by with several of his Assistant Coaches and most of the 2017 Football team to show us their Section 2A Championship Trophy. Coach and the players were met with a standing ovation, lots of smiles and pictures. later coach told me that he was so pleased at the reception the Greyhounds gave him and the Falcon team.

The day was beautiful.....

Everything is packed away and ready for next year !!!

Mary Kelley '59 Holston and John Swanson '59 are already working on their 60th class reunion for 2019. They ask that anyone in their class with email to please send an email (with your name) to either Mary or Jim. they have may email addresses, but can't identify some of them. Thank you in advance. John emails to their class, so you should be able to respond to his email.....if not, you can email me (Carla) and I will forward your message.

Football is starting at GCMS....and the coaches, players and cheerleaders are anxious to see how they do on the field this year, after a record year in 2017 !!!

I'm not real sure about the weather....it's still a bit crazy !!!  
Good luck to the farmers to bring in a good crop this year.

## Words to remember :

Do all the good you can,  
By all the means you can,  
In all the ways you can,  
In all the places you can,  
At all the times you can,  
To all the people you can,  
As long as ever you can.

Today - sometime in life, we all need a 17 minute rain delay, just to regroup, regain strength and know that HOPE lives.

When your heart is breaking for someone who is broken, but your words can't reach them and your love can't save them, ask the angels to go where you cannot, to whisper into their heart what their ears can't hear; "We will not give up on you....don't give up on yourself".

You either get bitter or you get better. It's that simple. You either take what has been dealt to you and allow it to make you a better person, or you allow it to tear you down. The choice does not belong to fate, it belongs to you !
